Are your lungs on fire when you run uphill? Do your joints hurt when you run downhill? The clinics will be scheduled a few times a month at King Field House and Long Gym. There are only 4-5 minutes of running during the clinic for gait analysis so the clinic is fine for brand new runners. Please come dressed in running clothes to start the clinic indoors and then move outside for the gait analysis and uphill and downhill running section. If possible, please sign-up and pay in advance with Vincent Spencer (Fitness Coordinator) upstairs in the Functional Fitness Area at King Field House.
