Office of the Commander

Dear Future Reliable Soldier

Welcome to the Special Troops Battalion, 1st Sustainment Brigade and congratulations on your new assignment. Our Battalion traces its lineage back to WWII and is comprised of phenomenal Sustainment Soldiers. Our Battalion and Brigade have a magnificent history of professional service with the 1st Infantry Division that continues today as our units provide sustainment support in the ongoing Overseas Contingency Operations.

Throughout your transition to Fort Riley and in-processing with our Reliable Family, you will receive assistance from a variety of resources and support agencies. The first and foremost is your sponsor, an individual selected and trained to answer your questions and assist as you integrate into our community. Additionally, your chain of command and various installation programs stand ready to assist you and your Family.

During your time in the Special Troops Battalion you will also be afforded numerous opportunities to experience and enjoy all that Kansas and the United States Army has to offer. I have no doubt your experience, training, and other talents will prepare you to become an integral member of our team and your contributions will ensure the continued success of the Reliable Battalion and our Army.

If you have not been contacted by a sponsor please contact the Battalion S1 for assistance at (785) 240-0288 or email jimmy.plata@us.army.mil.

Always Reliable!

Sincerely,
